Diagnoses such as autism spectrum disorder, cerebral palsy, Down syndrome or epilepsy

Connecting for Kids can help.

## Mission

Connecting for Kids provides resources, support and community to families in Northeast Ohio who have concerns about their child. We serve all families, including those children with and without diagnoses.

## Connecting for Kids

Resources, support and community

## Resources

- Find local pediatric professionals and programs through resource fairs and our online directory.
- Learn at our educational speaker series or workshops.
- Research topics of concern using our online resource guides and podcasts.

## Support

- Meet families facing similar concerns at our support groups.
- Connect one-on-one with our Family Resource Specialists (FRS) about your specific concerns. Our FRS team gets it - because we're parents too.

## Community

- Participate with your child in our hands-on programs.
- Engage with others through our online communities.
