Quick Poll

1

Be Predictable

Visuals and Visual Schedules, Voice Levels

Avoid the roller coaster ride!

Set the stage...

What will happen first, next, then, etc.

What work? How much work? When will I be done? What will I do next?

What will I see/hear/do/smell?

How to...

Video Model

Social Story

2

Offer Choices

And still get the outcome you want!

For Your Child

Blue or red boots?

Carrots or green beans?

Candyland or checkers?

Cat in the Hat or *Green Eggs and Ham*?

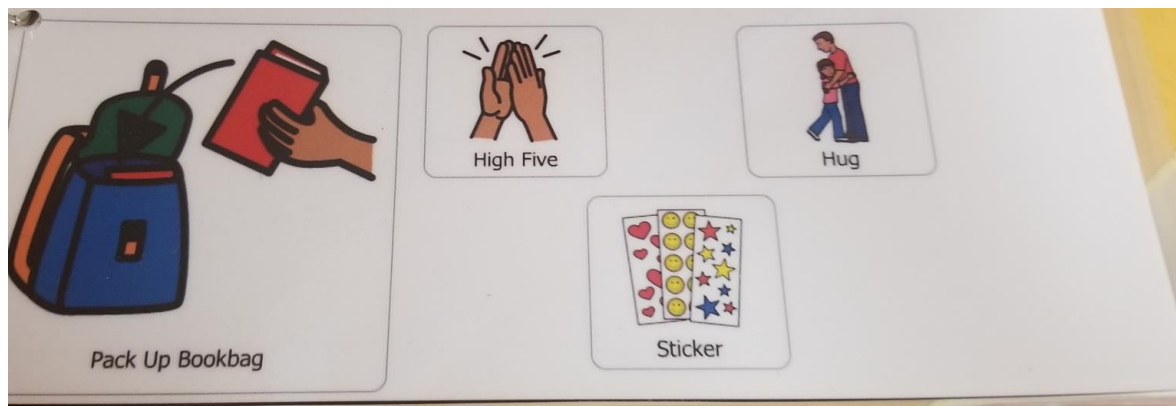

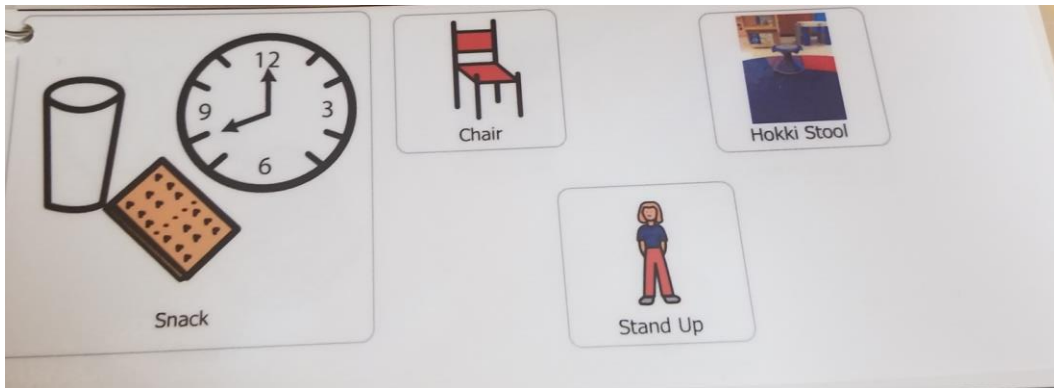

Do you want to read in the chair or your
bedroom?

For Your Spouse

Laundry or Dishes?

Take out the trash or clean the toilet?

Feed the kids or walk the dog?

...fills
...woman ... wedding Dress
Make Elizabeth's blanket

3

Grandma's Rule

First eat your
veggies, **then**
you get dessert!

First

Then

4

Parking Lot

The Parking Lot

When your child
has difficulty
transitioning
from toy play to
other activities...

When your child has difficulty transitioning from toy play to other activities... “The Parking lot

Transition to dinner time

A flexible strategy.
Use it anywhere!

5

Consistent Follow-Through

Rule Governance Behavior

Keep expectations the same.

React the same way.

ALWAYS reward appropriate
behaviors!

Don't erupt!

Pairing

The mom who cried wolf

Bring preferred toys/activities along

Be Present!

7

I Do, We Do, You Do

Behavioral Momentum

Easy, Easy , Hard

High Five!
Spin Around!
Put your trash in the
sink!

Touch your head.
Touch your nose.
Touch your toes.

Pick out your clothes!

Kid: Mom, Can I
play on the ipad?
Mom, I want the
iPad!
Mom...Mom...MOM!

Mom: What does a
cow say?
Where does a pig
live?
Legos or *If you give
a mouse a cookie?*

If it doesn't work...
CHANGE IT!

10

It takes a Village!

Who is part of your team?

What is their role?

Knowledge?

Expertise?
